

## To whom so ever it may concern

We express my heartfelt thanks and love to the Sunday School children at St Gregorious Church Bensalem Philadelphia USA. The back-packs which you have donated as part of flood relief was distributed to primary school children in Panamaram (Wayanad dist.). The chief guest of the function was Kalpetta MLA Sri. Sasidran. MLA and the school children expressed their sincere appreciation to members of St. Gregorious Church Bensalem.

Your kind and generous gifts will be a great help to the needy children of Panamaram school, who are affected by flood. This new year gift will be a real blessing for the students who received them, and we couldn't be more grateful for your generosity.

We also thank the church members, Sunday school teachers and the vicar Rev Fr. Shibu Venad Mathai of the church, who have taken initiative for the packing and transportation of backpacks to INDIA. We would also thank Thomas Joseph uncle for shipping and coordination and Padmarajan uncle (Recca SEWA) who delivered the backpacks to Wayanad.
